US Court of Appeals
4th Circuit

Ms. Wiley,

I pray this letter finds you well.

My name is La'Von DOBIE, I'm writing relating to case # CR-(RWT-04-0235) appeal # 07-4115. I have attempted to file numerous motions pro se. The subject matters relating to the motions, I have tried to no avail; to file are: (1) Error in My Criminal History Calculation (due to ^{being} given points for being on probation at the time of my arrest (court documentation clearly states I wasn't). (2) My Being Eligible for a Sentence Reduction due to 709 Crack Cocaine law of 5 grams or more (I WAS charged with 5 grams. (3) The District Court of Maryland holding an Insurance Case, until the outcome of my appeal and pursuing the case (if my appeal is favorable. I would like to start trial immediately and have my waiver to a speedy trial rescinded due to my being coerced / it was ~~part~~ of the same indictment and it deconsolidated with my objection.

I have spoken with my attorney Mr. Alan Dubois, whom was appointed by the Appeals Court and he has stated, (1) He is unable to file anything on my behalf in Maryland (2) He will check into the matters (3) He feels it would be best to leave the insurance matter alone at this time.

I'm seeking justice in this unjust matter, I would like to file motions pro se also. I have limited access or communication with Attorney Dubois. I can barely read the transcripts he forward to me due to them being reduced to save paper or money. I would like to know if all the transcripts have be submitted yet? I also want to file a motion relating to my due process Rights being violating relating to the transcripts being delayed, not forwarded to the Court of appeals. The Appeals Court has sanctioned transcriber Tracy Dunlop, on 8-17-08 they granted her another extension, in which she failed to meet the deadline given her Numerous of times. A new deadline date was given (4-20-09) if this deadline date wasn't met; I would like the Court to honor me the right to file a motion pro se in accordance with

Federal Case laws: ① Court Reporters Act
28 U.S.C.S. (753)(~~6~~), 906 F 2d at 1382)
and additional cases I would use to
support my argument.

Ms. Wiley,

Please render your succor in this matter
and acknowledge, receipt to this missive. Please
forward me a copy of the updated docket, let
me know if I need to file another motion
to file supplemental briefs and to be able
to file motions pro se, as well as resubmit
the files motions I previously tried to file.

I look forward to hearing from
you soon, while praying you will render your
succor in this matter.

Respectfully

La'Von Dobie #38360-037
